Fall 2022 Roster Verification - Available Now!

Verified records of student organization memberships are collected in each student's My UofSC Experience, a university platform that records the many experiences, both for-credit, and not-for-credit, that students engage in while at UofSC.

In order for your organization members to have their involvement included in the My UofSC Experience, it is your responsibility as an organization to verify your roster for Fall 2022. Please ensure your rosters are accurate and up-to-date - the accuracy and integrity of these student records are essential. Only records of membership that have been verified will be collected in the My UofSC Experience. To verify records, simply login to your Garnet Gate account, click on the organization you are verifying on the right of the page, and click "About" under "Organizational Tools". Scroll to the bottom of the page and click "Fall 2022 Roster Verification", then click "Update". You're done!
