

# Matthew E. Brashears

December 2023

## Mailing Address

Department of Sociology  
University of South Carolina  
Sloan College, Rm. 321  
911 Pickens Street  
Columbia, SC 29208  
[brasheam@mailbox.sc.edu](mailto:brasheam@mailbox.sc.edu)

## Academic Positions:

Chair, Department of Sociology  
University of South Carolina (July 2023 to Present)

Professor of Sociology  
University of South Carolina (Spring 2021 to Present)

Associate Professor of Sociology  
University of South Carolina (Fall 2015 to Spring 2021)

Assistant Professor of Sociology  
Cornell University (Fall 2008 to Spring 2016)

---

## Education:

Ph.D. Sociology	University of Arizona, 2008
M.A. Sociology	University of Arizona, 2003
B.A. Sociology	Emory University, 2000
B.A. Psychology	Emory University, 2000

---

## Peer Reviewed Publications:

Zhong, Jingwen and Matthew E. Brashears. *Forthcoming*. “The Siren Song of So-Called Evidence: Why the Evidence for Social Ecology Models is Not as Strong as We Think.” *Social Science Research*.

Harder, Nicolas L. and Matthew E. Brashears. 2023. “An improved approach for ecological modeling of social phenomena in Blau space.” *PLOS ONE*, 18: e0289934. <https://doi.org/10.1371/journal.pone.0289934>

Sun, Hui, Matthew E. Brashears and Edward Bishop Smith. 2021. “Network

- Representation Capacity: How Social Relationships are Represented in the Human Mind.” *Personal Networks: Frontiers of Ego Network Analysis*, Mario Small, Brea Perry and Bernice Pescosolido (eds.), Cambridge University Press.
- Facciani, Matthew, Matthew E. Brashears, and Jingwen Zhong. 2020. “Visual Vignettes for Cross-National Research.” *International Journal of Social Research Methodology*, DOI: [10.1080/13645579.2020.1844897](https://doi.org/10.1080/13645579.2020.1844897)

## **Grants, Honors, and Awards:**

- “Simulating and predicting social behavior from exposure and interaction with similar others: A data collection initiative and model advancement project.” Army Research Office (Total grant: \$190,146), November 2023 to May 2025.
- “Modeling Human-Infrastructure Interactions Following Nuclear Detonations.” (With various collaborators), Defense Threat Reduction Agency (Total grant: \$4,000,000; USC: \$400,125), July 2021-July 2024.
- “Teaching Toward Inclusive Excellence Certificate.” Center for Teaching Excellence, University of South Carolina, September 2019.
- “The Whole Earth Book Catalog.” (Colin Wilder & John Rose, Co-PIs), ASPIRE II Award, University of South Carolina (Total grant: \$85,037), May 2019 to August 2021.
- “Near Real Time Assessment of Emergent Complex Systems of Confederates.” (Kathleen Carley, Co-PI), Multi-disciplinary University Research Initiative (MURI) award, Office of Naval Research, (Total grant: \$4,495,532; USC: \$266,644), September 2017-November 2022.
- “Beyond the Cultural Horizon: Mapping Relational Norms Within Social Networks.” (David Lazer, Co-PI), Army Research Institute, (Total grant: \$1,049,938; USC: \$520,218), September 2016-May 2021.
- “Testing the Effects of Error and Error Correction in Human Social Networks.” Army Research Office Short-Term Innovative Research (STIR) Grant, Proposal #66287-CS-II (\$49,918), August 2014-June 2015. Sole P.I.
- “Best Paper Prize” Academy of Management, 2014, for “Innovation from Imitation: Error Correction in Networks Reduces Accuracy and Promotes Innovation.”
- “Uncovering and Penetrating CBRN Networks: A General Methodology for Mapping Covert Networks.” Option Years Award for Defense Threat Reduction Agency grant HDTRA1-10-1-0043 (\$629,020), Spring 2014 – Fall 2017. Sole P.I.
- “Teaching Scholar Certificate.” Cornell Center for Teaching Excellence. July 2013.
- “Young Faculty Course Design Institute.” Cornell Center for Teaching Excellence. (\$1,000). December 3-4, 2012.
- “Cognition and Social Network Structure.” National Science Foundation Proposal #1059282 (\$142,156), April 2011 - December 2014. Sole P.I.

- “Uncovering and Penetrating CBRN Networks: A General Methodology for Mapping Covert Networks.” Defense Threat Reduction Agency grant HDTRA1-10-1-0043 (\$796,728), Fall 2010 - Spring 2014. Sole P.I.
- “Weighing a Tie: Assessing Inaccuracies in the 2004 General Social Survey Network Items”. Time-sharing Experiments for the Social Sciences. Spring 2010. Sole P.I.
- “William K. Bunis Award for Excellence in Undergraduate Instruction.” University of Arizona Department of Sociology. Spring 2005.
- “Distinguished Graduate Student Paper Award.” Pacific Sociological Association. 2004, for “Gender and Homophily: Differences in Male and Female Association in Blau Space.”
- “Graduate Student Paper Award.” Social Psychology Section of the American Sociological Association. 2004, for “Gender and Homophily: Differences in Male and Female Association in Blau Space.”
- 

## **Invited Talks**

- “Going Crazy and Getting Sane: Progress in Social Ecology Models for Organizations.” Neoma Business School, Paris, France (via Zoom), May 21, 2021.
- “The Siren Song of So-Called Evidence: Why the Evidence of Social Ecology Models is Not as Strong as we Think.” Michigan State University, Department of Social Psychology (via Zoom), December 4, 2020.
- “The Siren Song of So-Called Evidence: Why the Evidence of Social Ecology Models is Not as Strong as we Think.” Amsterdam Center for Inequality Studies (AMCIS) Seminar Series, University of Amsterdam, February 13, 2020.
- “Error correction mechanisms improve the ability of replicators to reach peaks in a fitness landscape.” Department of Sociology, University of British Columbia, February 6, 2020.
- “Improving Ecological Models for the Study of Network Phenomena.” Annenberg School of Communication and Journalism, University of Southern California, November 28, 2018.
- “Wilde’s Dilemma: The Role of Deception in Social Networks.” 9<sup>th</sup> ANN/SONIC/NICO Network Theory Workshop *Brain Science and Social Networks*, Northwestern University, October 26, 2018.
- “Social Isolation: Perceptions and Realities.” *All Boats Rise Workshop*, Amazon.com Headquarters, Seattle, WA, October 17, 2018.

- “Error Correction Mechanisms in Social Networks: Implications for a General Theory of Replicators.” SONIC Speaker Series, Northwestern University, May 14, 2018.
- “Humans Use Compression Heuristics to Improve the Recall of Social Networks.” Institute for Mind and Brain, University of South Carolina, April 3, 2018.
- “Causal Robustness in Social Science Modeling.” Current Challenges in Computing (CCubed) Conference. Napa Valley, CA, April 12, 2017.
- “SocialSens: Overt vs. Covert.” SocialSens Workshop, Cyber-Physical Systems Week 2017, Pittsburgh, PA, April 21, 2017.
- “In the Organization’s Shadow: Organizational Competition and Behavioral Contagion.” U.S. Space and Naval Warfare Systems Center Atlantic, March 10, 2017.
- “Compression Heuristics Influence Human Network Recall.” Ego Networks in the Era of Network Science Invited Conference, Radcliffe Institute for Advanced Study, Harvard University, November 3, 2016.
- “Compression Heuristics and Human Social Network Recall”. Winer Conference on Network Science in Cognitive Structures, Purdue University, Department of Psychology, October 9, 2016.
- “Error Correction Mechanisms in Social Networks Can Reduce Accuracy and Encourage Innovation.” Purdue University, Department of Sociology, October 7, 2016.
- “Error Correction Mechanisms in Social Networks Can Reduce Accuracy and Encourage Innovation.” Multilayer Networks Conference, University of California-Davis, May 21, 2016.
- “The Enemy of my Friend is Easy to Remember: Balance Theory and the Cognitive Representation of Social Networks.” Universiteit Utrecht, Department of Sociology, March 10, 2016.
- “The Enemy of my Friend is Easy to Remember: Balance Theory and the Cognitive Representation of Social Networks.” Laboratory for the Study of Social Interaction Speaker Series, University of Georgia, October 2, 2015.
- “Social Networks, Innovation, and Business Performance.” Corning Cable Systems, Hickory, NC, April 30, 2015.
- “Error Correction Mechanisms in Social Networks Can Reduce Accuracy and Encourage Innovation.” University of South Carolina, Department of Sociology, February 27, 2015.

- “Error Correction Mechanisms in Social Networks Can Reduce Accuracy and Encourage Innovation.” Stanford University, Graduate School of Business, January 28, 2015.
- “Social Networks, Compression Heuristics, and the Evolution of Human Intelligence.” The Ohio State University, Department of Sociology, January 14, 2015.
- “Social Networks, Compression Heuristics, Sex, and the Evolution of Human Intelligence.” University of Nebraska- Lincoln, Department of Sociology, October 10, 2014.
- “Social Networks, Compression Heuristics, and the Evolution of Human Intelligence.” Boston-Cambridge Colloquium on Complexity and Social Networks, Northeastern University, September 18, 2014.
- “Uncovering and Penetrating CBRN Networks: A General Methodology for Mapping Covert Networks.” Defense Threat Reduction Agency, Washington, D.C., January 23, 2014.
- “Uncovering and Penetrating CBRN Networks: A General Methodology for Mapping Covert Networks.” Judith Reppy Institute for Peace and Conflict Studies, Cornell University, October 25, 2012.
- “Uncovering and Penetrating CBRN Networks: A General Methodology for Mapping Covert Networks.” U.S. Special Operations Command, May 30, 2012.
- “Weak Ties: Problems and Possibilities.” Duke Weak-Ties Workshop, Duke University, December 1, 2011.
- “Networks, Discussion and Resources.” Center for the Study of Economy and Society, Cornell University, December 2, 2010.
- “Anomia and the Sacred Canopy.” Distinguished Lecture Series, Auburn Correctional Facility, March 25, 2010.
- “Picking, Choosing, Accepting, Changing: The Dynamics of Network Structure and Content.” Cornell University, Department of Sociology, November 29, 2007.
- “Picking, Choosing, Accepting, Changing: The Dynamics of Network Structure and Content.” Michigan State University, Department of Sociology, November 2, 2007.
- “Picking, Choosing, Accepting, Changing: The Dynamics of Network Structure and Content.” Yale University, Department of Sociology, February 2007.
-

## **Recent Presentations at Professional Meetings:**

- “Participating Alone: Modeling Civic Participation and Support for Political Violence.” (With Nicolas Harder and Victoria Money). Annual Meeting of the International Network for Social Network Analysis, June 30, 2023.
- “Multiplexity and Leaky Pipes: The effect of agentic holes on information flow.” (With Victoria Money). Annual Meeting of the International Network for Social Network Analysis, June 30, 2023.
- “Wilde’s Dilemma: The Role of Deception in Social Networks.” (With Victoria Money and Gage Pierce). Annual Meeting of the International Network for Social Network Analysis, June 29, 2023.
- “Sex, Networks, and Structural Holes: Recall and Usage.” (With Eric Quintane and Helena Gonzalez-Gomez). Annual Meeting of the Academy of Management, August 9, 2022.
- “Tension, Constraint, and Action: How Affect Control Shapes Interpersonal Relations in Groups.” (With Laura Aufderheide Brashears and Craig Rawlings). Annual Meeting of the American Sociological Association, August 7, 2022.
- “Sex, Networks, and Structural Holes: Recall and Usage.” (With Eric Quintane and Helena Gonzalez-Gomez). Annual Meeting of the International Network for Social Network Analysis, July 13, 2022.
- “Gender and Networks: Network Perception, Network Usage, and Risk Aversion.” (With Eric Quintane and Helena González-Gómez). Academy of Management Annual Meeting, July 31, 2021.
- “A permutation test for ecological competition.” (With Jingwen “Zoe” Zhong). Annual Meeting of the International Network for Social Network Analysis, June 23, 2019.
- “Visual Vignettes for Cross-National Research.” (With Matthew Facciani). 2019. Group Processes Conference, August 9, 2019.
- “From curves to grids: New directions in the simulation and analysis of Blau space.” (With Nicolas Harder). Annual Meeting of the International Network for Social Network Analysis, June 21, 2019.
- “Where you are, what you want, and what you can do: The role of master statuses, personality traits, and social cognition in shaping ego network size, structure, and composition.” (With Laura Aufderheide Brashears and Nicolas Harder). Annual Meeting of the International Network for Social Network Analysis, June 19, 2019.
- “How Culture Influences Our Judgement of Social Scenarios.” (With Matthew Facciani).

Group Processes Conference, August 10, 2018.

“A Mechanistic Model of Human Recall of Social Network Structure and Relationship Affect.” (With Elisa Omodei and Alex Arenas). Annual Meeting of the International Network for Social Network Analysis, June 28, 2018.

“Negligible Connections? The Role of Familiar Others in the Diffusion of Smoking Among Adolescents.” (With Chan Suh and Yongren Shi). American Sociological Association Annual Meeting, August 13, 2017.

“Tension, Constraint, and Action: An ACT Model Examining Behavioral vs. Cognitive Change.” (With Laura Aufderheide Brashears and Craig Rawlings). Group Processes Mini-Conference, August 11, 2017,

“Dimensional Analysis in Blau Space Models: Preliminary Report.” Southeastern Sectional Meeting of the American Mathematical Society, March 12, 2017.

“The Ecology of Scientific Production: Modeling Competitive Dynamics Among Sociology Journals.” (With Fedor Dokshin). Annual Meeting of the International Network for Social Network Analysis (INSNA), April 8, 2016

“The Enemy of My Friend is Easy to Remember: Balance as a Compression Heuristic.” (With Laura Aufderheide Brashears). Annual Meeting of the International Network for Social Network Analysis (INSNA), April 8, 2016.

“Missed Connections? Social Similarity and the Diffusion of Smoking Among Adolescents.” (With Chan Suh & Yongren Shi). Annual Meeting of the International Network for Social Network Analysis (INSNA), April 6, 2016.

“The Weakness of Tie Strength.” (With Eric Quintane). American Sociological Association Annual Meeting, August 25, 2015.

“Differentiating Structural and Preferential Homophily.” (With Antonio Sirianni). Annual Meeting of the International Network for Social Network Analysis (INSNA), June 26, 2015.

“Can Group-level Norms Predict Changes in Future Attitudes?” (With Mario Molina). Annual Meeting of the International Network for Social Network Analysis (INSNA), June 25, 2015.

“Innovation from Imitation: Error Correction Mechanisms in Social Networks Can Reduce Accuracy and Encourage Innovation.” (With Eric Gladstone), American Sociological Association Annual Meeting, August 19, 2014.

“Is greed good? An ecological analysis of organizational membership.” (With Yongren

Shi, Michael Genkin and Fedor Dokshin), American Sociological Association Annual Meeting, August 19, 2014.

“Innovation from Imitation: Error Correction in Networks Reduces Accuracy and Promotes Innovation.” (With Eric Gladstone), Academy of Management Meeting, August 4, 2014.

---

### **Professional Service:**

Department Chair, Sociology Department, University of South Carolina, Summer 2023-Summer 2026

Chair, Nomination Committee of the American Sociological Association Social Psychology Section, 2023-2024

Past-Chair, American Sociological Association Social Psychology Section, 2023-2024

Panelist, National Science Foundation Human Networks and Data Science Program, Fall 2022.

Search Committee Chair, Sociology Department, University of South Carolina, 2022-2023.

Editorial Board Member, PLOS ONE, 2022-Present

Chair, American Sociological Association Social Psychology Section, 2022-2023.

Editorial Board Member, Oxford University Press “Social Network Mechanisms” book series (Ronald S. Burt and Mario Luis Small eds.) 2022-Present.

Committee Chair, ASA Mathematical Sociology Section Distinguished Graduate Student Paper Award, 2022.

Member, Associate Dean for Research and Graduate Students Search Committee, UofSC College of Arts and Sciences, 2022.
