

Congratulations, Class of 2023 🎓 Join us as we celebrate the awarding of 106 Doctor of Pharmacy degrees, one Doctor of Pharmaceutical Sciences degree, and 73 Bachelor of Science Pharmacy degrees. [Read more](#)

## FROM THE DEAN'S DESK

We recently celebrated one of my favorite days of the year – the day that our students receive their hoods, take the Oath of a Pharmacist, and become pharmacists. For our graduates, this is a remarkable day no matter what the standard of measure! While they may be a bit nervous about taking this next step in their careers, we know they are fully prepared and bursting with new ideas and innovations to advance our profession even further.

I also want to say a tremendous thank you to all who supported our Give 4 Garnet campaign – we had more participants than ever this year, and that includes alumni, friends of the college, faculty, staff and students. Your donation means that we will continue to provide the absolute best education and learning opportunities for our students. Thank you!

Stephen J. Cutler, Ph.D.

## EVENTS & OPPORTUNITIES

### Virtual Event: Transition Time for the New Practitioner

**Thursday, May 18 - 2:30 p.m.**

USC alumni, faculty and students are invited to a virtual discussion and moderated Q&A with a panel of national experts who will explore three key areas of transitioning from residency or fellowship training into clinical practice. Presented by the Clinical Teaching Certificate program at the USC College of Pharmacy. [Register here for Zoom link.](#)
