

DWAYNE E. PORTER

Work Address:

Department of Environmental Health Sciences
and Baruch Institute for Marine and Coastal Sciences
Arnold School of Public Health
University of South Carolina
915 Greene Street
Columbia, SC 29208 USA
803.777.4615 (P) porter@sc.edu (E) 803.777.8769 (F)

Education:

PhD	Geographic Information Processing	University of South Carolina	1995
MS	GIS and Remote Sensing	University of South Carolina	1988
BA	Spatial Analysis	West Virginia University	1985

Professional Experience:

2016-Present Professor and Associate Chair, Department of Environmental Health Sciences, Arnold School of Public Health

2014-Present Associate Chair and Director of Graduate Studies, Department of Environmental Health Sciences, Arnold School of Public Health

2014-Present Senior Associate Faculty, Environment and Sustainability Program, USC

2009-2014 Chair, Department of Environmental Health Sciences, Arnold School of Public Health

2007-2009 Interim Chair, Department of Environmental Health Sciences, Arnold School of Public Health

2006-2009 Graduate Director, Department of Environmental Health Sciences, Arnold School of Public Health

2004-2016 Associate Professor, Department of Environmental Health Sciences, Arnold School of Public Health, and Marine Science Program, USC

1998-2004 Assistant Professor, Department of Environmental Health Sciences, Arnold School of Public Health, and Marine Science Program, USC

1993-Present Director, Geographic Information Processing Lab, and Research Associate, Baruch Institute for Marine and Coastal Sciences, USC

1994-Present Director, NOAA National Estuarine Research Reserve System Centralized Data Management Office, Georgetown, SC

1995-Present Associated Faculty, School of Earth, Ocean and the Environment, USC

2003-Present Affiliated Faculty, Prevention Research Center, USC

1997-2008 Adjunct Professor, Department of Geology, College of Charleston

1996-Present Adjunct Professor, Geophysical Department, Irkutsk State Technical University, Irkutsk, Russia

1995-1999 Research Assistant Professor of Marine Science, Marine Science Program, USC

1992-1993 Vice President for GIP and Remote Sensing, Satellite Mapping and Resources Technology, Inc., Charleston, SC

1988-1992 Geographic Information Processing Coordinator, Marine Resources Research Institute, South Carolina Wildlife and Marine Resources Department, Charleston, SC

1985-1988 Research Assistant, Humanities and Social Sciences Computing Lab, USC

1983-1985 Research Assistant, Regional Research Institute, WVU

Boards, Committees and Professional Service:

- 2017-Present Representative, Global Consortium on Climate & Health Education
- 2017 Nexus of Food and Environmental Justice Work Group
- 2016-Present Virtual Beach Advisory Committee, US Environmental Protection Agency
- 2016-2017 Seventh Annual Nutrition Symposium Planning Committee
- 2016 South Carolina Clean Power Plan Environmental Justice Workgroup
- 2016 Reviewer, National Park Service
- 2016 Reviewer, Gulf Research Program Exploratory Grants Competition
- 2015-2016 South Carolina Water Resources Conference Planning Committee
- 2015-Present Editorial Board, *Journal of South Carolina Water Resources*
- 2015 Proposal review panel, NOAA Climate and Science Interactions Coastal and Ocean Climate Applications
- 2015 Proposal reviewer, Gulf of Mexico Research Initiative
- 2014-Present Board of Trustees, EdVenture Children's Museum
- 2014-2017 NOAA Science Advisory Board Gulf Coast Ecosystem Restoration Science Program Advisory Working Group (Chair, 2014-2016)
- 2014 Reviewer, *Enhancing the Value and Sustainability of Field Stations and Marine Laboratories in the 21st Century*, National Research Council of the National Academies. The National Academies Press, Washington, DC.
- 2014-2015 Search Committee, Department of Exercise Science Professor and Chair, Arnold School of Public Health
- 2014 Tenure and Promotion External Reviewer, East Carolina University
- 2013-2014 South Carolina Environmental Justice Forum Advisory Committee
- 2013-Present Student Programs Like Aquatic Science Sampling Headquarters Advisory Board
- 2013 Murrells Inlet Watershed Planning Steering Committee
- 2013 Water Quality Expert Team, NOAA Observing Systems Council Observing Systems Committee
- 2013 Proposal reviewer, Mid-Atlantic Sea Grant Regional Research Program
- 2013 Hudson River Environmental Conditions Observing System Expert Review Panel
- 2012 Proposal reviewer, Carolinas Integrated Sciences and Assessments Minigrant Program
- 2012-2013 NOAA National Integrated Drought Information System Carolinas Seafood Safety Forecast Committee
- 2012-2013 Faculty Search Committee, Earth and Sustainability Program and Department of Geography Joint Faculty, USC
- 2011-Present Judge, Department of Defense Science Fair
- 2012 Reviewer, *IOOS Summit White Paper Series*
- 2011-2012, 2014-2016 Carolina Nexus Planning Committee, USC
- 2011-Present Public Health Delegate, Consortium of Universities for the Advancement of Hydrologic Science, Inc.
- 2011-Present Institutional Representative, Southeast Coastal Ocean Observing System Regional Association
- 2011 Reviewer, *Journal of Urban Health*
- 2011-2012 Search Committee, School of Earth, Ocean and the Environment Director, USC
- 2011-2012 Search Committee, Prevention Research Center Director, Arnold School of Public Health
- 2010 Expert Team Reviewer, NOAA Marine Protected Areas Center MPA/IOOS Expert Team
- 2010 Search Committee, Dept. of Health Services Policy and Management Professor and Chair, Arnold School of Public Health
- 2010-2015 Faculty Fellow, African American Professor Program, USC

2010-2013 Student Awards Committee, Arnold School of Public Health
 2010-2013 Faculty Advisory Committee, College of Arts and Sciences
 2009-Present Program Overview Committee, MEERM Program, College of Arts and Sciences
 2009-2014 Data Management and Communications Committee, Gulf of Mexico Coastal Ocean Observing System
 2009 Proposal reviewer, NOAA Cooperative Institute for Coastal and Estuarine Environmental Technology
 2009 Proposal reviewer, Georgia Sea Grant Consortium
 2009, 2011 Reviewer, *Journal of Physical Activity and Health*
 2009 Reviewer, *International Journal of Health Geographics*
 2009-Present Board of Directors, Winterhaven Association
 2008-2012 SC Ocean Planning Task Force
 2008-Present Town of Bluffton Water Quality Task Force
 2007-2011 Co-chair, Southeast Ocean Data Partnership
 2007-Present Research Workgroup, SC Public Health Consortium
 2007-2013 SC Environmental Justice Advisory Committee
 2008-2013 Ocean Observing Sub-panel, Ocean Research and Resources Federal Advisory Panel
 2008 Florida Oceans and Coastal Resources Council Review Team
 2007 Proposal review panel, NASA Coastal Management Program
 2007 Proposal reviewer, National Geographic Society
 2007 Proposal reviewer, NOAA Coastal Ocean Program
 2007-2014 Administrative Council, Arnold School of Public Health
 2007-2014 MPHG Admissions Committee, Arnold School of Public Health
 2007-2009 Information Technology and Resources Committee, Arnold School of Public Health
 2006-2011 Regional Representative, National Federation of Regional Associations DMAC Caucus
 2006-2012 Advisory Committee, NOAA/NOS/HML Center of Excellence in Oceans and Human Health
 2006-2010 Council of Graduate Directors, Arnold School of Public Health
 1996-Present Delegate for USC, University Consortium on Geographic Information Sciences
 1995-2014 NOAA/ERD/NERRS Data Management Committee
 1990-2010 South Carolina State Mapping Advisory Committee
 2001-2010 University Information Technology Council, USC
 1999-Present Admissions Committee, Dept. of Environmental Health Sciences
 1999-2009 Computer Committee, College of Arts and Sciences
 2007-2008 Study Group to Evaluate Role of the Graduate School, USC
 2006-2008 Library and Resources Committee, Arnold School of Public Health
 2006 Reviewer, Maryland Center for Agro-Ecology, Inc.
 2006 Conceptual Design Review Team, National Science Foundation NEON Program
 2006 Proposal reviewer, NOAA Coastal Hypoxia Research Program
 2005 Proposal review panel, Environmental Protection Agency SBIR Wastewater Management/Pollution Indicators for Beaches and Recreational Waters
 2005, 2006, 2008 Reviewer, *Journal of Environmental Management*
 2005-2007 Evaluation of Research Faculty Committee, Arnold School of Public Health
 2004 Reviewer, *Wetlands*
 2004, 2011 Reviewer, *GIScience and Remote Sensing*
 2004 Proposal reviewer, National Science Foundation
 2003 Proposal reviewer, National Fish and Wildlife Foundation
 2003-2004 Dean's Search Committee, Arnold School of Public Health
 2003-2005 University Libraries Scientific, Technical and Medical Information Users Task Force, USC
 2003-2006 M/V Voyager, Inc. Board of Directors

2002 Proposal reviewer, NOAA Coastal Oceans Program Synthesis and Ecological Forecasting Program

2002 Proposal reviewer, NSF Office of Polar Programs

2002 Reviewer, *Ecological Archives*

2001 Proposal reviewer, Hudson River Foundation

2001 Proposal reviewer, Maryland Sea Grant College

2001 Proposal reviewer, North Carolina Sea Grant

2001-2003 Proposal reviewer, South Carolina Water Resources Center

2000, 2005 Site review team, National Science Foundation Long-Term Ecological Research Program

2000 Proposal review panel, National Science Foundation Information Technology Research Program

1999-2004 Qualifying Examination Committee, Dept. of Environmental Health Sciences

1998-2004 Chair (2001-2003) Information Technology Committee, Arnold School of Public Health

1996-2002 Baruch Institute Advisory Committee

1999-2001 Undergraduate Studies Committee, Marine Science Program

1999-2001 Co-chair, Inter-Institutional Collaboration Task Force for the SACS Self-Study, USC

1999-2000 NOAA/SRD/NERRS Water Quality Data Synthesis Committee

1999-2000 Ethics Research Committee, School of Public Health

1999-2000 Academic Programming (Distance Education) Committee, Arnold School of Public Health

1999 Proposal review panel, National Oceanographic Partnership Program OBIS Program

1998, 2001, 2003, 2006, 2009, 2010 Reviewer, *Journal of American Water Resources Association*

1998 Proposal review panel, NOAA Cooperative Institute for Coastal and Estuarine Environmental Technology

1998 Southeast Regional GIS Users Group Annual Conference Steering Committee

1997 Proposal reviewer, Minnesota Sea Grant Consortium

1996-1999 NOAA Protected Areas GIS Design Team

1996 Proposal reviewer, South Carolina Water Resources Institute

1995 NOAA NMFS Saltonstall-Kennedy Grants Review Program

1994 School District Five of Lexington and Richland Counties Action Planning Team

1994-Present Judge, Region II Science and Engineering Fair

1993-1997 Chairman (1995-1997), GIS Advisory Committee, Trident Technical College

1990-1994 Charleston Harbor Project GIS and Database Committee, SCDHEC-OCRM

1990-1996 Secretary, SMARTech, Inc. Board of Directors

Research Grants and Funding (active projects in bold):

2017-2018 Lake Wateree Association, Inc. \$20,500 as PI on “Lake Wateree Water Quality Data Acquisition and Analysis – Extension and Expansion”.

2016-2017 National Oceanic and Atmospheric Administration. \$1,018,850 as PI on “Continuation of the National Estuarine Research Reserve System Centralized Data Management Office and Enhancement and Expansion of the NERRS System-wide Monitoring Program”.

2016-2021 National Oceanic and Atmospheric Administration. \$530,913 as PI on “Integrated Decision Support and Management Tools for Adaptive Public Health Practices: An Early Warning System for Swimming Beach and Shellfish Harvesting Waters”.

2016-2017 South Carolina Military Department. \$20,000 as PI on “Assessing the Impacts of the October 2015 Meteorological Event on the Topography and Road Network of the McCrady Training Center”.

2016-2017 Lake Wateree Association, Inc. \$10,774 as PI on “Lake Wateree Water Quality Data Acquisition and Analysis - Extension”.

- 2015-2016 National Oceanic and Atmospheric Administration. \$385,000 as PI on “Continuing Support of the National Estuarine Research Reserve System Centralized Data Management Office”.
- 2015-2016 National Academy of Sciences. \$125,000 as a co-PI (PI Sandifer – College of Charleston) on “Developing a Conceptual Model of Stress-Associated Health Effects of Multiple Impacted Ecosystem Services in the Gulf of Mexico”.
- 2015-2017** National Oceanic and Atmospheric Administration. \$60,000 as PI on “Coastal Intelligence and Resilience Integration with NOS Place-Based Observing Networks: Increasing Awareness and Enhancing Collaborations within OCM/NERRS and IOOS”.
- 2015-2016 National Oceanic and Atmospheric Administration. \$69,034 as PI on “SECOORA: A Framework for Monitoring, Prediction and Assessment to Support Decision-Makers Needs for Coastal and Ocean Data and Tools - Water Quality Modeling (Year5)”.
- 2015-2016 National Oceanic and Atmospheric Administration. \$150,000 as PI on “SECOORA: A Framework for Monitoring, Prediction and Assessment to Support Decision-Makers Needs for Coastal and Ocean Data and Tools - Data Management and Communications (Year 5)”.
- 2015-2017** Technical Support of Dillon SWCD’s 2015 CIG Proposal. \$42,227 as co-PI (PI Kloot – USC) “Demonstrating Tillage and Cover Crop Management Strategies on a Corn-wheat-soybean Rotation”
- 2015-2017** Environ Foundation. \$50,000 as co-PI (PI Feigley – USC) on “Measuring and Modeling of Aerosolized Antibiotic Resistant Bacteria Concentrations from the Metropolitan Wastewater Treatment Plant to Address Public Health Concerns”.
- 2015-2016 University of South Carolina. \$30,000 as co-PI (PI Chaudry – USC) on “Collection and Analysis of Perishable Data on Failure of Earth Dams and Their Impact on Water Quality”.
- 2015 University of South Carolina Research Engagement Collaboratives. \$25,000 as a co-PI (PI Dow – USC) on “Coastal Health, Sustainability, and Adaptation”.
- 2014-2019** National Oceanic and Atmospheric Administration. \$337,644 (of \$20,000,000 total) as a co-PI (PI Scavia – University of Michigan) on “A Collaborative Science Program for the National Estuarine Research Reserve System: Working with End Users Throughout the Applied Research Process”.
- 2014-2015 National Oceanic and Atmospheric Administration. \$370,000 as PI on “Continuing Support of the National Estuarine Research Reserve System Centralized Data Management Office”.
- 2014-2015 National Oceanic and Atmospheric Administration. \$64,977 as PI on “SECOORA: A Framework for Monitoring, Prediction and Assessment to Support Decision-Makers Needs for Coastal and Ocean Data and Tools - Water Quality Modeling (Year 4)”.
- 2014-2015 National Oceanic and Atmospheric Administration. \$190,393 as PI on “SECOORA: A Framework for Monitoring, Prediction and Assessment to Support Decision-Makers Needs for Coastal and Ocean Data and Tools - Data Management and Communications (Year 4)”.
- 2014-2015 USC Social Sciences Grant Program. \$19,996 as co-PI (PI Kaczynski – USC) on “Are Disparities in Access to Quality Park Environments Associated with Childhood Obesity?”.
- 2014-2017** National Institutes for Health. \$2,904,660 as a co-I (PI Pate – USC) on “Physical Activity During the Transition from Elementary School to High School”.
- 2014 LowCountry Institute of Spring Island, SC. \$24,000 as PI on “Pesticide Support Tool (Pesticide Search) and Smart Phone App Development: Easing Community Access to Residential Pesticide Information”.
- 2014-2015 USC ASPIRE. \$100,000 as a co-PI (PI Johnson – USC) on “A Multi-Disciplinary Data Sharing Center Prototype Using A New Numeric-Metadata (NM) Standard for Big Data”
- 2013-2014 South Carolina Department of Health and Environmental Control. \$19,000 as PI on “Leaders in Environmental Action Pilots”.
- 2013-2014 National Oceanic and Atmospheric Administration, National Ocean Service. \$349,146 as PI on “Continuing Support of the National Estuarine Research Reserve System Centralized Data Management Office”.

- 2013-2014 National Oceanic and Atmospheric Administration. \$50,000 as PI on “Assessment and Potential Integration of the EPA’s Virtual Beach Model into SCDHEC’s Beach Water Quality Modeling Ensemble”.
- 2013-2014 National Oceanic and Atmospheric Administration. \$37,209 as PI on “SECOORA: A Framework for Monitoring, Prediction and Assessment to Support Decision-Makers Needs for Coastal and Ocean Data and Tools - Water Quality Modeling”.
- 2013-2014 National Oceanic and Atmospheric Administration. \$192,387 as PI on “SECOORA: A Framework for Monitoring, Prediction and Assessment to Support Decision-Makers Needs for Coastal and Ocean Data and Tools - Data Management and Communications”.
- 2013-2014 South Carolina Department of Health and Environmental Control. \$3,600 as PI on “Development of a Water Quality Model for the Lower Saluda River”.
- 2012-2014 National Oceanic and Atmospheric Administration. \$30,379 as PI on “Enabling Coastal and Marine Spatial Planning in the South Atlantic through User Engagement, Comprehensive Data Management and Development of Decision Support Tools – Phase II”.
- 2012-2013 National Oceanic and Atmospheric Administration, National Ocean Service. \$367,040 as PI on “Continuing Support of the National Estuarine Research Reserve System Centralized Data Management Office”.
- 2012-2013 National Oceanic and Atmospheric Administration. \$182,386 as PI on “Southeast Coastal Ocean Observing Regional Association (SECOORA): Coordinated Monitoring, Prediction and Assessment to Support Decision-Makers Needs for Coastal and Ocean Data and Tools – Year 2”.
- 2012-2013 National Oceanic and Atmospheric Administration. \$38,884 as PI on “Southeast Coastal Ocean Observing Regional Association (SECOORA): Implementation of Automated Water Quality Advisory Forecast Models for Southeastern US Swimming Beaches – Year 2”.
- 2012-2013 South Carolina Sea Grant Consortium. \$30,000 as PI on “Spatial Implementation of a Decision-support Tool for Assessment and Application of Commonly-used Pesticides with Port Royal Sound, SC”.
- 2012-2013 National Oceanic and Atmospheric Administration. \$72,600 as PI on “Enabling Coastal and Marine Spatial Planning in the South Atlantic through User Engagement, Comprehensive Data Management and Development of Decision Support Tools – Phase I”.
- 2011-2012 National Oceanic and Atmospheric Administration, National Ocean Service. \$367,040 as PI on “Continuing Support of the National Estuarine Research Reserve System Centralized Data Management Office”.
- 2011-2012 National Oceanic and Atmospheric Administration. \$22,701 as PI on “A Framework for Monitoring, Prediction and Assessment to Support Decision-Makers Needs for Coastal and Ocean Data and Tools: Development of a Water Quality Decision-Support Tool”.
- 2011-2012 National Oceanic and Atmospheric Administration. \$166,500 as PI on “Southeast Coastal Ocean Observing Regional Association (SECOORA): Coordinated Monitoring, Prediction and Assessment to Support Decision-Makers Needs for Coastal and Ocean Data and Tools – Year 1”.
- 2011-2012 National Oceanic and Atmospheric Administration. \$21,616 as PI on “Southeast Coastal Ocean Observing Regional Association (SECOORA): Implementation of Automated Water Quality Advisory Forecast Models for Southeastern US Swimming Beaches – Year 1”.
- 2011 National Estuarine Research Reserve Association. \$4,454 as PI on “Web Enhancements in Support of Improved Dissemination of Environmental Monitoring Data”
- 2010-2011 National Aeronautics and Space Administration. \$10,000 as PI on “The Use of Satellite Spectral Imaging and Remote Sensing Technologies to Detect Climate Change Induced Plant Stress”.
- 2010-2013 South Carolina Sea Grant Consortium. \$30,000 as PI on “Pesticides Decision-making Tool and Feasible Alternatives for Beaufort, Jasper and Hampton Counties, SC”.
- 2010-2013 National Institutes of Health. \$1,307,467 as a co-PI (PI Colabianchi – USC) on “Effects of the Built Environment, Crime and Food Prices on BMI, Activity and Eating”.

- 2010-2012 South Carolina Water Resources Center Competitive Grants Program. \$82,637 as co-PI (PI Tufford – USC) on “Sediment Phosphorous Flux Measurement in Lake Wateree, SC”.
- 2010-2011 National Oceanic and Atmospheric Administration. \$367,040 as PI on “Continuing Support of the National Estuarine Research Reserve System Centralized Data Management Office”.
- 2009-2014 National Heart, Lung and Blood Institute. \$3,318,559 as a co-Investigator (PI Pate – USC) on “Physical Activity during the Transition from Elementary School to Middle School”.
- 2009-2011 National Oceanic and Atmospheric Administration. \$349,740 as PI on “Continuing Support of the National Estuarine Research Reserve System Centralized Data Management Office”.
- 2008-2011 South Carolina Sea Grant Consortium. \$157,493 as PI on “The Implementation of Low Impact Development Practices for Coastal South Carolina: The Oak Terrace Research Project”.
- 2008-2010 National Oceanic and Atmospheric Administration. \$346,000 as PI on "Continuing Support of the NERRS Centralized Data Management Office".
- 2008-2012 National Institutes of Health. \$570,720 as a co-Investigator (PI Liese - USC) on “Developing Measures of the Built Nutritional Environment”.
- 2008-2010 National Oceanic and Atmospheric Administration. \$178,426 as co PI (PI Fletcher – USC) on “Establishment of the Center for Integrated Information Systems”.
- 2008-2012 National Oceanic and Atmospheric Administration. \$113,302 as co-PI (PI Fletcher - USC) on “Implementation of Regional Integrated Ocean Observing Systems Support of RCOOS Development in SECOORA: Data Management - USC (Years 1-3)”.
- 2007-2010 Environmental Protection Agency. \$18,431 as a subcontract PI to the State of New Hampshire on “Exchanging Environmental Data for the Gulf of Maine: Integrating NOAA NERRS data with the GoMOOS Ocean Data Partnership”.
- 2007-2012 National Oceanographic and Atmospheric Administration. \$579,546 as co-PI (PI Dorton - UNCW) on “Expansion of the Carolinas Coast Marine Weather Template within the SECOORA Region”.
- 2007-2009 National Oceanic and Atmospheric Administration. \$348,000 as PI on "Continuing Support of the NERRS Centralized Data Management Office".
- 2007-2012 National Oceanographic and Atmospheric Administration. \$1,200,000 as a co-PI (PI Leonard - UNCW) on “Integration of Coastal Observations and Assets in the Carolinas in Support of RCOOS Development in SECOORA”.
- 2007-2010 South Carolina Sea Grant Consortium. \$144,248 as co-PI (PI-Fletcher - USC). “Enhancing the Regional Coastal Ocean Observing System in the Southeastern United States: SECOORA Information Management/Ocean Data Partnership-USC”.
- 2007-2008 South Carolina Sea Grant Consortium. \$233,993 as PI on “Development of a Conceptual Model for an Integrated Coastal Prediction and Forecasting Initiative”.
- 2007-2008 South Carolina Sea Grant Consortium. \$28,932 as PI on “Integrating Terrestrial, Estuarine and Marine Observing Systems in Support of an Improved Understanding of Hypoxic Events in Long Bay, SC”.
- 2006-2012 National Institutes of Health. \$1,082,305 as a co-Investigator (PI Liese - USC) on “Spatial Epidemiology of Diabetes in the SEARCH for Diabetes in Youth Study”.
- 2006-2008 National Oceanic and Atmospheric Administration. \$53,000 as PI on “Building on Successful IOOS Partnerships: Enhancing the NERRS System-wide Monitoring Program and IOOS Linkage”.
- 2006-2008 National Oceanic and Atmospheric Administration. \$346,000 as PI on "Continuing Support of the NERRS Centralized Data Management Office".
- 2006-2009 South Carolina Sea Grant Consortium. \$155,810 as PI on “An Assessment of Stormwater Best Management Practices for Coastal South Carolina: The Oak Terrace Preserve Monitoring Project”.

- 2005-2008 National Oceanic and Atmospheric Administration. \$620,859 as PI on “Enhancements to the NERRS System-wide Monitoring Program for Delivery of Real-time Data”.
- 2005-2007 National Oceanic and Atmospheric Administration. \$320,728 as PI on "Continuing Support of the NERRS Centralized Data Management Office".
- 2005-2007 National Oceanic and Atmospheric Administration. \$108,159 as PI on “Integrating and Disseminating Historic and Current SWMP Data via the IOOS Initiative”.
- 2005-2008 National Oceanic and Atmospheric Administration. \$957,234 as PI on “Urbanization and Southeastern Estuarine Systems”.
- 2005-2006 South Carolina Department of Health and Environmental Control. \$11,833 as co-PI (PI Davis - USC) on “Purchase of Multi-parameter Water Quality Meter for Springmaid Pier and SURA/SECOORA Hypoxia Project”.
- 2005-2010 South Carolina Department of Health and Environmental Control. \$72,562 as PI on “Establishment of a Joint USC / SCDHEC-OCRM Research Faculty Position in Applied Coastal Zone Management”.
- 2004-2007 National Oceanic and Atmospheric Administration. \$124,960 as PI on “Integrating the NERRS System-wide Monitoring Program with Ocean.US Integrated Ocean Observing System Efforts”.
- 2004-2005 National Oceanic and Atmospheric Administration, National Ocean Service. \$832,000 as PI on “Urbanization and Southeastern Estuarine Systems”.
- 2004-2006 National Oceanic and Atmospheric Administration, National Ocean Service. \$320,999 as PI on "Continuing Support of the NERRS Centralized Data Management Office".
- 2004-2006 NOAA CICEET. \$158,140 as PI on “NERRS Remote Sensing Applications Assessment Project (RESAAP)”.
- 2004-2005 South Carolina Department of Health and Environmental Control. \$20,000 as a co-PI (PI White - USC) on “Stormwater Monitoring”.
- 2003-2004 National Oceanic and Atmospheric Administration, National Ocean Service. \$682,837 as PI on “Urbanization and Southeastern Estuarine Systems”.
- 2003-2005 National Oceanic and Atmospheric Administration, National Ocean Service. \$257,550 as PI on "Continuing Support of the NERRS Centralized Data Management Office".
- 2003-2005 South Carolina Office of the Adjutant General. \$98,827 as PI on “Supplemental Funding in Support of Community-level Mapping of the McCrady Training Center”.
- 2003-2005 National Oceanic and Atmospheric Administration, Cooperative Institute for Coastal and Estuarine Environmental Technology. \$291,234 as a co-PI (PI Chekalyuk - VIMS) on “Advanced Laser Fluorescence (ALF) Technology For Estuarine and Coastal Environmental Biomonitoring”.
- 2003-2005 South Carolina Office of the Adjutant General. \$60,000 as PI on “Development of a Digital Library of Historical and Current Aerial Photography for the Fort Jackson Property”.
- 2002-2003 National Oceanic and Atmospheric Administration, National Ocean Service. \$269,986 as PI on "Continuing Support of the NERRS Centralized Data Management Office".
- 2002-2003 National Oceanic and Atmospheric Administration, Office of Oceanic Research Programs. \$174,059 as PI for Geographic Information Processing and Spatial Modeling on \$697,025 grant entitled "Urbanization and Southeastern Estuarine Systems".
- 2002-2006 NOAA CICEET. \$245,491 as co-PI (PI Schill - TNC) on “Development of an Automated Mapping Technique for Monitoring and Managing Shellfish Distributions”.
- 2002-2007 National Institutes of Health. \$178,892 as co-PI (PI Pate - USC) on “Community Characteristics and Physical Activity in Adolescent Girls”.
- 2002-2007 National Institutes of Health. \$1,513,402 as an Investigator (PI Pate - USC) on “Promotion of Physical Activity in High School Girls”.
- 2002-2007 Department of Defense / US Navy. \$2,827,981 (USC’s component) as a co-PI (USC PI Fletcher; Overall PI Seim - UNC) on “SouthEast Atlantic Coastal Ocean Observing System Initial Implementation”.

- 2002-2007 National Oceanic and Atmospheric Administration, Office of Oceanic and Atmospheric Research. \$9,744,767 as a co-PI (PI Fletcher - USC) on “The Carolinas Coastal Ocean Observing and Prediction System (Caro-COOPS)”.
- 2002-2005 South Carolina Office of the Adjutant General. \$81,084 as PI on “Supplemental Funding in Support of Community-level Mapping of the McCrady Training Center”.
- 2002-2003 Richland County. \$29,400 as PI on “Establishment of an Internship Program between the Department of Environmental Health Sciences and the Richland County Information Technology Department”.
- 2002-2003 National Oceanic and Atmospheric Administration, National Ocean Service. \$8,000 as PI on “Provision of Technical Support for the NERRS System-wide Monitoring Program”.
- 2002 Department of Energy/SC Water Resources Center. \$24,891 as PI on “Development of a Physical Spatial Model to Predict the Distribution of the Submerged Aquatic Perennial Hydrilla in the Lake Murray, SC Reservoir”.
- 2001-2002 National Oceanic and Atmospheric Administration, National Ocean Service. \$236,780 as PI on "Continuing Support of the NERRS Centralized Data Management Office".
- 2001-2002 National Oceanic and Atmospheric Administration, Coastal Ocean Program. \$114,734 as a co-PI (PI Vernberg - USC) for Geographic Information Processing and Spatial Modeling on \$698,744 grant entitled "Urbanization and Southeastern Estuarine Systems".
- 2001-2002 SC Sea Grant Consortium. \$15,710 as PI on “Evaluation of the Hypsometric Function of the Colleton – Okatee Rivers Salt Marsh System Using Airborne Photography and Remote Sensing Techniques”.
- 2001-2002 US Geological Survey. \$6,000 as PI on “Development and Support of a National Spatial Data Infrastructure (NSDI) Node at the Belle W. Baruch Institute for Marine Biology and Coastal Research”.
- 2001 Bell South Instructional Innovation Grant. \$4,489 as a co-PI (PI Fletcher - USC) on “Development and Implementation of a Distance Education Course in Marine Science”.
- 2001-2003 Savannah River Ecology Lab. \$18,000 as PI on “Establishing a Student Training Grant Program with SREL”.
- 2001 South Carolina Research Institute. \$44,000 as a co-PI (PI Morris - USC) on “Biological Indicators of Environmental Condition”.
- 2000-2001 National Oceanic and Atmospheric Administration, National Ocean Service. \$161,889 as PI on “Continuing Support of the NERRS Centralized Data Management Office”.
- 2000-2004 South Carolina Office of the Adjutant General. \$30,000 as PI on “Community-level Mapping of the McCrady Training Center”.
- 2000-2001 National Oceanic and Atmospheric Administration, Office of Oceanic Research Programs. \$113,130 as a co-PI (PI Vernberg - USC) for Geographic Information Processing and Spatial Modeling on \$700,000 grant entitled "Urbanization and Southeastern Estuarine Systems".
- 2000-2007 National Oceanic and Atmospheric Administration, Coastal Ocean Program. \$755,851 as PI on “Development of a GIS-based Database Management Program to Characterize Sources and Effects of Natural Parameters and Anthropogenic Impacts to Coastal Ecosystems”.
- 2001-2002 Richland County. \$6,720 as PI on “Development of Land Cover Data Layer for Richland County, SC”.
- 1999-2000 South Carolina Commission on Higher Education. \$23,510 as a co-PI (PI Fletcher - USC) on “Marine Science 111 Offered Via Multimedia Presentation and Teleconferencing to High Schools for Advanced Credit”.
- 2000-2002 National Science Foundation. \$19,500 of \$100,000 as a co-PI (PI Kleppel - SUNY) on “Biocomplexity – Incubation Activity: Multidimensional Consequences of Urban Encroachment on Natural Ecosystems”.
- 2000 South Carolina Research Institute. \$23,690 as a co-PI (PI McKellar - USC) on “Watershed Nutrient Dynamics: Issues in Wastewater Allocation, Nonpoint Source Pollution Control, and Wetland Exchanges”.

- 2000 NASA/EPSCoR Program. \$10,000. Graduate Student Training Grant.
- 1999-2002 National Institutes of Health, Centers for Disease Control and Prevention. \$309,277 as a co-PI (PI Ainsworth - USC) on “Development of a Spatial BRFSS Module to Assess Environmental and Policy Supports for Physical Activity and Healthy Eating”.
- 1999-2000 National Oceanic and Atmospheric Administration, National Ocean Service. \$120,000 as PI on “Continuing Support of the NERRS Centralized Data Management Office”.
- 1999-2000 South Carolina Department of Health and Environmental Control. \$2,480 as PI on “Prototype Development of a GIS-based Web Presentation For Spatial Analysis and Promoting Increased Awareness of Fish Consumption Advisories In Support of the Lake Hartwell Fish and Turtle Survey/Exposure Investigation”.
- 1999-2000 National Oceanic and Atmospheric Administration, Office of Oceanic Research Programs. \$116,208 of \$700,000 as a co-PI (PI Vernberg - USC) for Geographic Information Processing and Spatial Modeling on grant entitled "Urbanization and Southeastern Estuarine Systems".
- 1999-2002 Environmental Protection Agency. \$144,550 of \$589,696 as a co-PI (PI Morris - USC) on “CISNet: Molecular to Landscape-scale Monitoring of Estuarine Eutrophication”.
- 1999 USC College of Science and Mathematics. \$9,800 as a co-PI (PI Fletcher - USC) on “Establishment of the Marine Information Processing Lab In the College of Science and Mathematics at the University of South Carolina”.
- 1999 Environmental Systems Research Institute. \$3,500 software grant for developing “A Virtual Tour of the North Inlet – Winyah Bay National Estuarine Research Reserve”.
- 1998-1999 National Oceanic and Atmospheric Administration, National Ocean Service. \$113,000 as PI on “Continuing Support of the NERRS Centralized Data Management Office”.
- 1998-1999 National Science Foundation. \$93,600 as a co-PI (PI Kjerfve - USC) on “Marine Information Processing in Marine Science Undergraduate Laboratories”.
- 1998-1999 National Oceanic and Atmospheric Administration, Office of Oceanic Research Programs. \$125,122 of \$700,000 as a co-PI (PI Vernberg - USC) for Geographic Information Processing and Spatial Modeling on “Urbanization and Southeastern Estuarine Systems”.
- 1997-1998 South Carolina Sea Grant Consortium. \$33,744 as PI on “A Spatial Data Assessment for LU-CES”.
- 1997-2003 NASA/EPSCoR Program. \$150,000 of \$560,000 as co-PI (PI Jensen - USC) on “Monitoring Coastal Wetland Change and Modeling Ecosystem Health in South Carolina Using Advances in Remote Sensing Digital Image Processing”.
- 1997-1998 National Oceanic and Atmospheric Administration, National Ocean Service. \$108,000 as PI on “Continuing Support of the National Estuarine Research Reserve System Centralized Data Management Office”.
- 1997-1998 National Oceanic and Atmospheric Administration, Office of Oceanic Research Programs. \$127,350 of \$665,000 as a co-PI (PI Vernberg - USC) for Geographic Information Processing and Spatial Modeling on “Urbanization and Southeastern Estuarine Systems”.
- 1996-1997 National Oceanic and Atmospheric Administration, National Ocean Service. \$100,000 as PI on “Continuing Support of the National Estuarine Research Reserve System Centralized Data Management Office”.
- 1996-1997 Estuary-Net Project, Wells National Estuarine Research Reserve. \$8,000 as PI on “Implementation of the Estuary-Net Curriculum on the World Wide Web”.
- 1996-1997 National Oceanic and Atmospheric Administration, Office of Oceanic Research Programs. \$150,911 of \$600,000 as a co-PI (PI Vernberg - USC) for Geographic Information Processing and Spatial Modeling on “Urbanization and Southeastern Estuarine Systems”.
- 1996-1997 NOAA High Performance Computing and Communications Program. \$3,000 on “Internet Infrastructure for NOAA's National Estuarine Research Reserve System's National Monitoring Program”.

- 1995-1996 National Oceanic and Atmospheric Administration, National Ocean Service. \$97,000 as PI on “Development and Continuation of the National Estuarine Research Reserve System Centralized Data Management Office”.
- 1995-1996 South Carolina Space Grant Consortium Research Enhancement Award. \$2,350 for “Travel Support for Graduate Research Assistants to Present Results of Estuarine Research Utilizing Geographic Information Systems and Remote Sensing”.
- 1995-1996 South Carolina Space Grant Consortium Research Enhancement Award. \$6,000 for “Travel Support for the Baikal Undergraduate Research Group to Study the Biogeochemical Cycles of Lake Baikal”.
- 1995-1996 National Oceanic and Atmospheric Administration, Office of Oceanic Research Programs. \$137,233 of \$700,000 as a co-PI (PI Vernberg - USC) for Geographic Information Processing and Spatial Modeling on “Urbanization and Southeastern Estuarine Systems”.
- 1995-1997 National Oceanic and Atmospheric Administration, Center for Coastal Ecosystem Health. \$109,600 as co-PI (PI Allen - USC) for “Enhancement of Internet Connectivity Capabilities at the North Inlet - Winyah Bay National Estuarine Research Reserve”.
- 1994-1995 National Oceanic and Atmospheric Administration, National Ocean Service. \$90,000 as PI on “Establishment of the NERRS Centralized Data Management Office at the North Inlet - Winyah Bay NERR”.
- 1994-1995 National Oceanic and Atmospheric Administration, Office of Oceanic Research Programs. \$157,058 of \$700,000 as a co-PI (PI Vernberg - USC) for Geographic Information Processing and Spatial Modeling on “Urbanization and Southeastern Estuarine Systems”.
- 1994 Sun Microsystems Computer Corporation Academic Equipment Grant. \$11,985 for “Expansion of a Geographic Information Processing (GIP) Lab for Marine Biology and Coastal Research”.
- 1993-1995 National Science Foundation. \$8,500 of \$275,000 as a subcontract PI (PI Kjerfve - USC) on “Geographic Database for the Salt Marsh Ecosystems of the Southeastern United States”.
- 1991-1992 South Carolina Coastal Council. \$48,192 as a co-PI (PI Holland - SCDNR) on “Technical Support for Evaluating Dredged Material Disposal Sites in Charleston Harbor”.
- 1991-1992 South Carolina Coastal Council. \$23,560 as co-PI (PI Dunlap - SCDNR) on “Charleston Harbor Project SAMP Regulatory Permit Database Enhancement”.

Pending Grants:

National Oceanic and Atmospheric Administration. \$978,089 as PI on “Continuation of the National Estuarine Research Reserve System Centralized Data Management Office and Enhancement of the NERRS System-wide Monitoring Program”.

Duke Energy. \$94,000 as co-PI on “Improving Water Quality, Quantity and Conservation Issues Related to the Presence of Cyanobacteria and Associated Harmful Algal Blooms (HABs) within Boating, Recreational Areas and Drinking Water Supplies within Selected NC and SC Reservoirs Managed by Duke Power”.

National Institute for Environmental Health. \$6,388,155 as Core Lead (PI Scott – USC) on “The Interactions of Climate Change on Oceans and Human Health: Assessment of Effects on Ocean Health Related Illness and Disease and Development of Prevention Strategies to Better Protect Public Health”.

National Institutes for Health. \$12,600,000 as Core Lead (PI Lead – USC) on “Remediation and Environmental Geochemistry in Our Neighborhoods (REGION)”.

National Oceanic and Atmospheric Administration. \$70,722 as PI on “Florida Coastal Water Quality Monitoring Data Assessment, Access and Training”.

Awards:

- 2016 Faculty Service Award, University of South Carolina Arnold School of Public Health
- 2014 National Oceanic and Atmospheric Administration / National Estuarine Research Reserve Association Award for Outstanding Contributions to the National Estuarine Research Reserve System
- 2003 National Estuarine Research Reserve Association 2001-2003 Distinguished Service Award
- 2002, 2003 Outstanding Research Performance and Contributions to the Baruch Institute Award
- 2002 COSM financial support award for research productivity

Teaching Experience:

- 2015-Present Instructor. Environmental Health Sciences 771 – Seminar in Environmental Health Sciences
- 1999-Present Instructor. Environmental Health Sciences 775 – Resource Management and Environmental Impact Assessment. USC
- 2006-2007 Instructor. South Carolina Honors College 476D – Proseminar on Resource Management. USC
- 2000 Co-instructor. Marine Science J120 – Evolution of the Marine Environment. USC
- 1999 Instructor. Environmental Health Sciences 793 – Environmental Decision-making: The Information Technology Approach. USC
- 1998 Instructor. Environmental Studies 649 – GIS: A Tool for Remote Sensors. University of Charleston and Medical University of South Carolina.
- 1998 Instructor. Geology 499 – Geographic Information Systems. College of Charleston.
- 1996-2000 Co-taught interim semester course for Governors School for Science and Math.

Workshops Conducted:

- 2017 NOAA National Estuarine Research Reserve System Technicians' Training Workshop. 14-17 March 2017. Litchfield Beach, SC.
- 2016 NOAA National Estuarine Research Reserve System Technicians' Training Workshop. 14-17 March 2016. Litchfield Beach, SC.
- 2015 NOAA National Estuarine Research Reserve System Technicians' Training Workshop. 9-12 February 2015. Litchfield Beach, SC.
- 2013 - 2014 South Carolina Environmental Justice Leadership Forum. December 2013 and January, March and May 2014. Georgetown, SC.
- 2014 NOAA National Estuarine Research Reserve System Technicians' Training Workshop. 10-14 February 2014. Litchfield Beach, SC.
- 2013 NOAA National Estuarine Research Reserve System Technicians' Training Workshop. 11-15 February 2013. Litchfield Beach, SC.
- 2012 NOAA National Estuarine Research Reserve System Technicians' Training Workshop. 6-10 February 2012. Litchfield Beach, SC.
- 2011 NOAA National Estuarine Research Reserve System Technicians' Training Workshop. 7-11 February 2011. Myrtle Beach, SC.
- 2010 NOAA National Estuarine Research Reserve System Technicians' Training Workshop. 8-12 February 2010. Pawleys Island, SC.
- 2009 NOAA National Estuarine Research Reserve System Technicians' Training Workshop. 19-23 January 2009. Pawleys Island, SC.
- 2008 NOAA National Estuarine Research Reserve System Technicians' Training Workshop. 21-25 January 2008. Myrtle Beach, SC.

- 2007 NOAA National Estuarine Research Reserve System Technicians' Training Workshop. 22-26 January 2007. Myrtle Beach, SC.
- 2006 NOAA National Estuarine Research Reserve System Technicians' Training Workshop. 23-27 January 2006. Myrtle Beach, SC.
- 2005 NOAA National Estuarine Research Reserve System Technicians' Training Workshop. 24-28 January 2005. Charleston, SC.
- 2004 NOAA National Estuarine Research Reserve System Data Management Committee Meeting. 18-22 August 2004. Georgetown, SC.
- 2004 NOAA National Estuarine Research Reserve System Technicians' Training Workshop. 22-29 January 2004. Myrtle Beach, SC.
- 2003 NOAA National Estuarine Research Reserve System Data Management Committee Meeting. 3-8 August 2003. Georgetown, SC.
- 2003 NOAA National Estuarine Research Reserve System Technicians' Training Workshop. 25-30 January 2003. Myrtle Beach, SC.
- 2002 NOAA National Estuarine Research Reserve System Data Management Committee Meeting. 15-18 September. Georgetown, SC.
- 2002 NOAA National Estuarine Research Reserve System Technicians' Training Workshop. 23-27 January and 20-24 February. Georgetown, SC.
- 2001 NOAA National Estuarine Research Reserve System Technicians' Training Workshop. 22-24 January and 20-22 February. Georgetown, SC.
- 2001 NOAA National Estuarine Research Reserve System Data Management Committee Meeting. 8-10 August. Georgetown, SC.
- 2000 NOAA National Estuarine Research Reserve System Data Management Committee Meeting. 8-10 August. Georgetown, SC.
- 1999 NOAA National Estuarine Research Reserve System Data Management Committee Meeting. 23 October. Cape May, NJ.
- 1998 NOAA National Estuarine Research Reserve System Data Management Committee Meeting. 6-7 November. Mobile, AL.
- 1997 NOAA National Estuarine Research Reserve System Data Management Committee Meeting. 15 October. Portland, OR.
- 1996 NOAA National Estuarine Research Reserve System Data Management Committee Meeting. 9 November. St. Simon Island, GA.
- 1995 NOAA National Estuarine Research Reserve System Data Management Committee Meeting. 21- 24 May. North Inlet - Winyah Bay, SC NERR.

Selected Papers and Publications (underlined first authors are my graduate students):

Hughey, M., A. Kaczynski, Child, S., Moore, J., Porter, D.E. and J. Hibbert. In press. Green and lean: Is neighborhood park and playground availability associated with youth obesity? Variations by gender, socioeconomic status, and race/ethnicity. *Preventive Medicine*.

Henderson, H.C, Hong, J., Friedman, D.B., Porter, D.E., Halfacre, A.C., and Scott, G.I. and J.R. Lead. In press. A content analysis of Internet resources about the risks of seafood consumption. *International Journal of Environmental Health Research*.

Barnes, T.L., N. Colabianchi, J.D. Hibbert, D.E. Porter, Lawson, A.B. and A. Liese. In press. Scale effects in food environment research: Implications from assessing socioeconomic dimensions of supermarket accessibility in an eight-county region of South Carolina. *Applied Geography*.

McDonald, S., M. Dowda, N. Colabianchi, D. E. Porter, R. Dishman and R. Pate. In press. Perceptions of the neighborhood environment and children's afterschool moderate-to-vigorous physical activity. *Pediatric Exercise Science*.

Barnes, T.L., N. Colabianchi, J.D. Hibbert, D.E. Porter, Lawson, A.B. and A. Liese. In press. Exploring neighborhood boundaries in the food environment via the relationship between supermarket access measures and socioeconomic characteristics. *Spatial and Spatio-temporal Epidemiology*.

Sandifer, P.A., L.C. Knapp, T.K. Collier, A.L. Jones, R.P. Juster, C.R. Kelble, R.K. Kwok, J.V. Miglarese, L.A. Palinkas, D.E. Porter, G.I. Scott, L.M. Smith, W.C. Sullivan and A.E. Sutton-Grier. 2017. A conceptual model to assess stress-associated health effects of multiple ecosystem services degraded by disaster events in the Gulf of Mexico and elsewhere. *GeoHealth*, 1, DOI: 10.1002/2016GH000038.

Scott, G.I., D.E. Porter, G.T. Chandler, R.S. Norman, C.H. Scott, M. Uyaguari-Diaz, K. Maruya, S.B. Weisberg, M.H. Fulton, E.F. Wirth, J. Moore, P.L. Pennington, D. Schlenk, G.P. Cobb and N.D. Denslow. 2016. Antibiotics as CECs: an overview of the hazards posed by antibiotics and antibiotic resistance. *Frontiers in Marine Science*. DOI: 10.3389/fmars.2016.00024

Wickliffe, L., D.E. Porter, J. Hibbert, G.I. Scott and C. Marsh. 2016. Development of a geospatial guide for responsible residential pesticide application within the South Carolina coastal zone. *Southeastern Geographer*. 56(2) 2016: pp. 152–170.

Neet, M., R.H. Kelsey, D.E. Porter, D. Ramage and A. Jones. 2015. Model performance results in Myrtle Beach, SC using Virtual Beach and R regression software. *South Carolina Water Resources Journal*. Vol. 2, Issue 1. pp. 80-85.

Porter, D.E., J. Dorton, L. Leonard, H. Kelsey, D. Ramage, J. Cothran, A. Jones, C. Galvarino, V. Subramanian and D. Hernandez. 2015. Chapter 22 - Integrating environmental monitoring and observing systems in support of science to inform decision making: case studies for the Southeast. *Coastal Ocean Observing Systems: Advances and Syntheses*. Y. Liu, H. Kerkering and R. Weisberg (eds.). Elsevier Press. pp.416-429.

Buskey, E., M. Bundy, M. Ferner, D. Porter, W. Reay, E. Smith and D. Trueblood. 2015. Chapter 21 - System-wide Monitoring Program of the National Estuarine Research Reserve System: research to address coastal management needs. Chapter in *Coastal Ocean Observing Systems: Advances and Syntheses*. Y. Liu, H. Kerkering and R. Weisberg (eds.). Elsevier Press. pp. 391-415.

Friedman, D.B., C. Toumey, D.E. Porter, J. Hong, G.I. Scott and J.R. Lead. 2015. Communicating with the public about environmental health risks: a community-engaged approach to dialogue about metal speciation and toxicity. *Environmental International*. 74(2015):9-12.
